P & P MEDICAID CONSULTING, INC. LOCATED IN MASSAPEQUA, SERVING NASSAU, SUFFOLK, & N.Y.C.

P & P Medicaid Consulting, Inc. was established in response to a need by the average person or family that required assistance in obtaining Medicaid eligibility, and at reasonable rates. P & P has rapidly grown, and in addition to assisting families in applying for Medicaid, they have enhanced their services to include Nursing Home and Home Care Medicaid applications and placement, as well as Social Security Disability applications and completion of P.R.I. Screenings for Nursing Home candidates. They also specialize in "complete" Elderly Case Management, which includes the above-mentioned services, plus daily necessities (such as: paperwork, bill paying, insurance assistance, etc. for people/families that are not able or do not have the time). The staff at P & P has over twenty years experience in the Medicaid/Healthcare industry. The office is located in Massapequa, but the staff will happily visit any client at home or at their business.

Paul Mertz, who is the President of P & P Medicaid, is responsible for all aspects of the Medicaid application process. On staff, we have two (2) Registered Nurses, B.S.N., who are both certified P.R.I. Screening Nurses, and who work with our families when a P.R.I. report is necessary for Nursing Home placement. Debbie is our friendly and always courteous Office Manager who handles all of our client's needs and concerns on a daily basis. The remainder of the P & P staff dedicates their time to helping applicants obtain the necessary paperwork for completion of their applications. P & P offers reasonable rates and personalized service for all of our clients. We are available 24/7 for free advice and will do all necessary paperwork in the comfort of your home, or if the client prefers, at our office in Massapequa, New York, 11758. Our 24/7 phone numbers are: (516) 541-4770 or (516) 641-7014. P & P Medicaid is dedicated to making the Medicaid process as painless as possible. Many times when a Medicaid application is necessary, prior to visiting us, our clients are under a great deal of stress, so our service is dedicated to easing the stress of the application process. Most of our clients are already very upset and stressed because a family member or a loved one needs either Nursing Home placement or a Home Health Aide. We try to ease the anxiety and pain by handling the Medicaid process and the Elder-Care services in a compassionate way. P & P Medicaid Consulting's fees are reasonable and very affordable, plus we offer a wide range of very competitive and discounted pricing packages. Our packages are normally priced at a fraction of what other establishments would charge for the same service. In addition, we have direct access to elder care attorneys, who guide us with difficult and complex legal aspects of certain applications. We also have a great working relationship with the Department of Social Services (Medicaid), and most of the Nursing Home Facilities and the Home Care Agencies through-out Nassau, Suffolk, and even the five (5) boroughs of New York City. Our mission at P & P is to provide quality service at an affordable price; and we pride ourselves on organization, perfection, satisfaction, dedication and professionalism from application through approval.
